
CASE PACKER WA420 FOR WRAPAROUND BOXES

Reduce changeover time with quick and easy line clearance and format changes, saving time and increasing efficiency, all on a small footprint.

With high capacity, the Graniten WA420 packs your bottle shaped products in wraparound boxes. In spite of the compact footprint the machine offers an operator accessible solution with few moving parts. Shipping box labelling and label control is standard.

The machine features our unique short conversion time between different batches, close-to-zero (C2Z) changeover time.

Main Features

- Compact and open
- Very flexible regarding incoming products and packaging patterns
- Simple and quick format change (<5 min)
- Ergonomic and safe cardboard magazine
- Reject, IPC (In Production control)
- Labelling and label control

Technical Data

Footprint:

Length: 4.9 m
Width: 2.0 m
Height: 2.4 m
